

Memo for record

Subject : CIG/CIA "central records" (decimal files), 1946 ff.

STAT The following folders of correspondence, found among Historical Staff's borrowed records (probably borrowed about 1952-53, by Messrs. Darling and Jackson), were shown by M.P.C. to Messrs. [] at the Archives and Records Center on 18 Sept. 1967. Based on an immediate search of related files by [] it was immediately obvious to all three of us that these files belonged to the established decimal files; ~~in~~ in fact, charge-out references ^{to it} were found in most cases in the main file, which ~~is~~ was retired in 1957 by the Mail and Courier Branch, Job 54-207.

Accordingly, these files were all left with [] to be ~~ixat~~ integrated into the main file:
